

Enfield Shaker Museum

2020 Spring Shaker Forum - Poster Guidelines

When is the poster session?

The poster session will be held on Friday, April 24 from 5:00 – 6:00 pm. Posters will be left up for the remainder of the Forum.

Themes

This session will allow scholars to present works in their initial stages or niche topics that would not be large enough for a full academic presentation. Examples might include a specific event in Shaker history, the discovery of new research materials, or a discussion of a piece of material culture.

Audience

The audience will be made up of Shaker scholars, enthusiasts, and casual viewers so posters should appeal to a wide audience.

Recommendations

- The amount of text should be between 300 and 800 words.
- Maximum poster size should be 48" x 36".
- Posters should include visuals whenever possible.
- Appropriate research citations should be provided.

How to submit a proposal?

Please submit a brief description of your topic to education@shakermuseum.org.
